### **Father Kuban Branch – Guadalupe**

The Boys & Girls Club of the East Valley – Father Kuban Branch is located in the public housing area of the Town of Guadalupe. The Town of Guadalupe is named for the Virgin of Guadalupe, the patron saint of Mexico. The Kuban Branch serves members from Guadalupe and Tempe, and provides year-round programming for members age 5 through 12 years old.

#### **Programs/Activities:**

The Kuban Branch - Guadalupe offers activities from each of the five Boys & Girls Clubs of America Core Program Areas: Education and Career Development; Character and Leadership Development; The Arts; Health and Life Skills; and Sports, Fitness, and Recreation. The activities offered change regularly, but they will fall into one of these five program areas.

**Power Hour:** Every Club member participates in our After School cornerstone program is the Power Hour. This program provides dedicated staff to assist members to complete their homework assignments. Members receive points based on completing homework, reading and other educational activities. Older members assist younger members with reading skills. The top Power Hour members receive a monthly pizza or root beer float party, and their names are displayed in the Club.

**Healthy Habits:** Club members learn about healthy eating habits and the importance of exercise. They also gain knowledge on health and wellness as well as sports in general. Club members are given opportunities to improve upon their overall health and wellness.
